

# VICAGTECT NIG LTD

## The Intelligent Way to Plan.

Vicagtect was established in 2007 and is a general contractor offering construction services in terms of Site Analysis, Feasibility Studies, Preliminary Design Studies etc. We handle various industrial, residential, manufacturing, office, retail, and commercial projects in Lagos and Southern West regional markets.

Vicagtect is a dedicated to providing value-added construction services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

## Our Mission.

Dedication to providing quality construction, technical and management services to our customers. We will strive to implement a long term relationship with our clients, based on safety, quality, timely service and an anticipation of their needs. To help fulfill this mission, we will treat all employees fairly and involve them in the quality improvement process to insure responsiveness and cost effective work execution.

## We are easy to find.
